## **REPLICA ROMAN 'SPONGE ON A STICK'**

In Roman times toilet paper hadn't been  
invented so people used sticks like these  
with sponges on the end. They would dip  
them in water and share them with  
other people!

## **REPLICA ROMAN OIL LAMP**

Oil lamps like this were used to light  
tents at night so soldiers could see what  
they were doing. Remember, in those  
days electricity hadn't even been  
discovered!
