

RESEARCH SHEET: INTERVIEW A FAMILY MEMBER

Ask one of your own family members what they know about what happened in the war either in your own family or in the local area. Write down the information here.

Who did you interview? _____

What did you find out about what happened to your family in the Second World War?

What did you find out about what happened in the local area in the Second World War?

Finished? See if you have any Second World War items in your family that you could bring into school to show the other pupils.
